

Workplace Health Provider

Northern NSW region (Inverell Shire and surrounds)

- Permanent part-time and full-time positions available
- Industry leader in workplace health
- Unique clinical opportunity – not your normal allied health position
- Excellent working conditions and benefits
- Intensive, ongoing clinical training and professional/personal development opportunities
- Relocation allowance available for successful eligible applicants
- Immediate start

Work Healthy Australia have permanent part-time and full-time positions available for a **Chiropractor/Osteopath/Physiotherapist** to start immediately. We are looking for someone to work in the Northern NSW region (Inverell Shire and surrounding areas).

Given the nature of the position, our ideal candidate would possess the following qualities:

- High level clinical problem-solving and communication skills.
- A passion for multi-modal acute injury management with particular focus on upper limb and spinal injuries
- Knowledge of and experience with dry needling, soft tissue techniques, rehabilitation protocols in addition to manual joint manipulation skills

We are an innovative, fast growing health and wellbeing company providing on-site treatment to companies nationwide. Our team are passionate and energetic professionals, who have a multimodal evidence-based approach to care.

We work onsite at companies with workers in manual and labour-intensive roles (think factories and processing plants) to look after their injured employees. Our aim to help employees stay healthy, safe and injury free at work.

This is a salaried position (full time and part time options available) which includes superannuation. A laptop, mobile phone and all equipment required for the role will be provided. A company vehicle may also be included depending on your location, otherwise all fuel and travel cost will be included as part of your role.

We offer intensive, ongoing training and clinical skills mentoring. We use a vast range of modalities including several soft tissue techniques, dry needling, rehab protocols, and welcome all new knowledge.

Please see workhealthyaustralia.com.au/careers for more information about our company.

If you are interested, please email us at recruitment@workhealthyaus.com.au with a cover letter and CV or call Andrew on 0488 039 037. We would love to hear from you.
