

Workplace Health Provider

Victoria/Greater Melbourne

- Full-time position available with an industry leader in workplace health.
- A unique clinical opportunity – not your normal allied health position.
- Ongoing clinical training and professional/personal development opportunities.
- Regular mentoring and support from experienced health care providers.
- Join a multi-disciplinary team of 40+ healthcare professionals with a focus on patient-centred outcomes.

Work Healthy Australia have a full-time position available for a Chiropractor/Osteopath to start immediately. We are looking for someone to work in the Victoria/Greater Melbourne region.

Given the nature of the position, the ideal candidate would possess the following qualities:

- A passion for multi-modal acute injury management, with a particular focus on upper limb and spinal injuries.
- Clinical problem-solving skills.
- Proficient oral and written communication skills.
- Knowledge and experience in soft tissue therapy, musculoskeletal rehabilitation, and manual joint manipulation.
- Valid AHPRA registration, and Australian driver's licence.

We are an innovative, fast growing health and wellbeing company providing on-site treatment to companies throughout Australia. Our team is comprised of compassionate, energetic, and motivated healthcare professionals focused on helping people.

We work on-site at leading companies across Australia with workers in labour-intensive roles. Our aim is to help these employees stay healthy, safe, and ensure they can arrive home injury free after each day at work.

This is a full-time position as an employee (rather than most healthcare roles which offer sub-contracts only). This brings the benefits of an annual salary, superannuation, and leave entitlements. Other benefits include:

- Car (including fuel and maintenance costs)
- Laptop
- Phone
- Treatment equipment and consumables

- AHPRA registration
- Professional indemnity insurance
- A generous yearly training allowance

We pride ourselves on giving all Workplace Health Providers ongoing clinical skills training and mentoring, which is personalised for each team member.
